Public Content

The Louisiana state constitution mandates that (1) all property subject to taxation be reappraised or reassessed at least every four years, (2) the adjustment of ad valorem tax rates downward if property values increase, and (3) authorizes increased in the millage rates (roll-forward) after reassessment - but not in excess of the prior year's maximum authorized millage rate. This year, 2024, is a reassessment year. The School Board has already agreed to roll-up the Constitutional Tax Millage a required by the debt covenants for the 2009, 2011 and 2012 Qualified School Construction Bonds. This is due to the fact that a portion of this millage is dedicated to paying the debt service on these bonds.
